DUFFY'S GREAT FEAT AT THE INTERCOLLEGIATE GAMES.

Georgetown Sprinter Makes the Wes Time in Final Heat -Harvard Wins a Stirring Battle for Points, Yale Secand. Princeton Third-New Records.

Arthur F. Duffy, the diminutive sprinter Arthur F. Duffy, the diminutive sprinter of Georgetown University, signalized the twenty-seventh annual track and field championships of the Intercollegiate Association of Amsteur Athletes of America yesterday by running the 100 yards in 9 3-5 seconds. This running the 100 yards in 9 3-5 seconds. This performance wipes out all previous records no matter in what country and demonstrates a possibility which heretofore has been considered beyond the prowess of modern athletes. There can be no question as to the genuine character of the astounding feat. It took place on the track at Berkeley Oval, was started by an efficient starter and was timed by four of the best watch holders in America. Samuel D. See, who fired the pistol for the runners, said that Duffy made a

gun, but was a triffe quicker off his mark than any of the other runners.

After the result of the race had been announced, James E. Sullivan who is chairman of the A. A. U. Record Committee and who was referee of the meet, caused the path over which Duffy ran to be surveyed by an expert and it was found to measure one inch over one hundred yards. There were four timers, Robert Stoll, Mortimer Bishop and Evart Jansen Wendell of the New York A. C. and C. C. Hughes delegate-at-large to the A. A. U. The last named has been timing sprint races for the past twenty-five years and his watch showed 9 2-5 seconds, but as the majority rules in this case it was decided that the 9.3-5 should be returned.

The only feature of the performance which could at all create the slightest comment was

The only feature of the performance which could at all create the slightest comment was that a faint breeze blew down the track with the runners and a few of those hypercritically inclined stated that it beiped Duffy a little. But the more experienced of those connected with sprint racing scoffed at the quibble raised and pointed out as strong evidence that Duffy beat Schick eight feet and a week ago the Harvard man flew over the distance in 9.4-5 seconds. One of the most generous in 9 4-5 seconds. One of the most generous ovations ever offered to an athlete fell to Duffy's let after, as he made his way to the dressing room. Of course, it was rather early to learn whether or not the Intercelle-giate Association would accept the record, but the general opinion seemed to be that it will be added to the table and supplant the 9 4-5 seconds of B. J. Wefers and Duffy

himself In the battle for points the Crimson of Harvard waved triumphant, but the Cam-

In the battle for points the Crimson of Harvard waved triumphant, but the Cambridge men only carried away the championship cup by the short margin of four points from Yale. But there is a chance of a reversal in the positions of the leaders, as Schick of Harvard ran under protest and scored a points. Should the protest he sustained Harvard would lose just enough to move Yale up a notch and the Blue would thus manage to win the cup. Harvard's full score was St points. Yale, 30, and Princeton showed splendid strength by being third with 27 points. The score of the other colleges were: Amberst, 11; Georgetown, 16. Pennsylvania, 2. Syracuse and California, a points each, and Corneil and Columbia. 3 each.

Harvard's win yesterday, if not altered, places her in a commanding position to win out the intercollegiate championship cup. She has now captured it five times and Yale and Pennsylvania four times each. Under the conditions the cup becomes the property of the college which wins it the oftenest in fourteen years. Should the Crimson secure this cup it will be the second to be won outright by the athletes of Cambridge, as they carried away the first cup the competition for which ended in 1889.

In the body of the programme there were several rattling performances. John R. Dewitt, the Princeton Hercuies, gave the hammer a rare fling by sending it the grand distance of 164 feet 10 inches, earning first prize from Plaw, the Californian, who came to this side of the contient with a wonderful reputation. DeWitt's throw established a new intercollegiate record. Beck of Vale lengthened his own resord for putting the shot by 4 inches, and Horton of Princeton eclipsed the collegiate and intercollegiate records in the pole vault by propelling himself over a height of 11 feet 7 inches.

A crowd of het wen three and four thousand persons paid admission to the inclosure, and they were composed cheely of the friends of the athletes, the retainers of the different colleges and the general devotees of track and the all-around good

Time, 9 3-5 seconds, breaking the world's record.

After winning his heat in the semi-final
in the record time of 9 4-5 seconds, no doubt
was felt over Duffy's ability to land first
prize, but there was only the barest possible
hazard that he would set up new record figures. On account of the Schick protest
Westney of Pennsylvania was sllowed in the
final, making five men. When they took
their positions at the start Schick had the

Cadogan lined across in the order named

wards Duffy led the crimson runner by about
a yard, with Westney tearing along a similar
distance behind and Cadogan and Moulton
bringing up the rear. This position remained
unchanged to within twenty yards of the

Taylor unset all calculations in this event. He has been regarded as a good quarter-miler but beyond that hothing was known of his form. There was a rush for the first turn in which Orton. Pennsylvania, Boynton and Kane fearred. At the first quarter Bishop of Columbia led the van, but reuteding the turn addit forsed forward, followed by Boynton and Bishop had to give way. Won by R. E. Williams, Princeton, C. B. Marshell, Columbia, second. C. S. Jacobus, Vale, third R. S. Prott. Cornell, fourth. Time, 4 minute 26.1 Seconds.

It was the most sensational race ever seen at a collegiate meet. Trott, of Cornell, led the rift en starters for the first quarter and this councer mate, Flanders, led at the half, the time being, 2 minutes 2 seconds. Trest showed the way to the three-quarters and then Marshell of Columbia came out of the risk and caught his men one by one and facing the second turn drew level with Trott and Flanders. Entering the stretch Marshell passed the Cornellians and just as he leoked a sure winner Williams flew by him and broke the worsted a yard shead.

PHILADELPHIA. 3: NEW YORE. 6

The sensation that goes with the winning of a game is getting to be a dim memory with the New Yorks. They lost their ninth consecutive game yesterday, the Philadelphias making it three straight and whitewashing the locals again. The Quakers made only six hits off Sparks, but they ran bases well and backed up their pitcher much better than the New Yorks did Sparks. The Quaker tinfeld was pretty nearly airtight with the fast work of Hallman, Huiswitt and Childs. Since they were here last the Philadelphias have found themselves, in the present series at any event. The score.

WARNER'S SAFE CURE. Alderman Stubig Gratefully Tells

How This Wonderful Medicine

Cured Him of Bright's Disease.

\*144 Roscoe Boulevard, Chicago, Oct. 19, 1900. Gentlemen: About two years ago I had one foot in the grave, as the saying goes, and life looked pretty black to me; the doctors called it Bright's disease. I would give all I had to be cured, but nothing seemed to do me much good until a

neighbor recom-mended that I try Warner's Safe Cure. It was with but little hope that I tried it, but within two weeks

within two weeks my general my general my general laws completely cured. I hardly dared to believe that such good fortune was mine, but I have not lost a meal nor had an ache or pain since. Words seem but poor to express my gratitude. Yours truly, H. M. STUBIG (Alderman, 27th Ward). TEST YOUR URINE. Put some morning urine in a glass or bottle, let it stand 24 hours; if there is a reddish sediment in the bottom of the glass, or if the urine is cloudy or milky, or if you see particles or germs floating about in it, your kidneys are diseased and you should lose no time, but get a bottle of Warner's Safe Cure, as it is dangerous to neglect your kidneys for even one day.

gerous to neglect your kidneys for even one day.

WARNER'S SAFE CURE is purely vegetable and contains no narcotic or barmful drugs; it is free from sediment and pleasant to take; it does not constipate; it is now put up in two regular sizes and is sold by all druggists, or direct, at 50 CENTS AND \$1.00 A BOTTLE.
